<u>Appendix B</u>

<u>IAIA Professional Recognition Scheme Compendium:</u>

Recognition of Individual EIA Practitioners

Blank Sheet – For Growing and Updating the Compendium

This sheet is designed to be used by IAIA Members / other IA professionals to either update existing / complete new entries into the IAIA's:

Compendium of National Professional Recognition Schemes: Individual EIA Practitioners

Instructions to user:

1. Please review the IAIA's online database to identify whether the national / regional scheme you have information on is already contained in IAIA's compendium.
   - If it is, and you feel it is up-to-date, no further action is required.
   - If it is, but you believe the information within it is either out of date, or its accuracy could be improved, please complete the form overleaf
   - If it is not included, please complete the form overleaf
2. Once you have completed the form overleaf, including with information about yourself (under 'About this Data Sheet'), please email it to info@iaia.org with the email subject line – Update to IAIA's Professional Recognition Compendium

Compendium of National Professional Recognition Schemes:
Individual EIA Practitioners

International Association for Impact Assessment (IAIA)
