

AWARDS

**IAIA Global Environment Award****MARGOT WALLSTRÖM**

For systematically promoting the EIA/SEA in the EU and accession countries as Commissioner for the Environment (EU), for formulating EU stands on key global issues (climate change, water, sustainable development), for influencing the adoption of EC SEA Directive during her term of office, for supporting improvements for public participation in environmental decision-making and influencing the adoption of the new EC directive on publication participation, which also amends and improves the previous highly technocratic EC EIA Directive.

Rose-Hulman Award**JEAN-ROGER MERCIER**

Leadership in birthing and nurturing the IAIA Washington Area Branch, for his active role in IAIA '03, and for supporting distribution of WB materials of interest to IAIA. Jean-Roger Mercier contributes actively to the development of Strategic Environmental Assessment (SEA) in World Bank lending and analytical work.

Individual Award**ROB VERHEEM**

For his contributions to the development and use of Strategic Environmental Assessment in developed and developing countries.

Regional Award**BILLY DAY**

For contributing significantly to a better understanding of the need for and implementation of environmental impact assessment in the Canadian North.

Corporate Award**SCOTTISH POWER**

For its commitment to assessment of development once construction is completed, for implementation of mitigation measures and post-monitoring to ensure success, and for its efforts to quantify environmental risks in future scenarios.

Institutional Award**AFRICAN DEVELOPMENT BANK**

For its efforts in refining environmental and social assessment procedures that will help to mainstream environment through AfDB financed projects.

Outstanding Service To IAIA Award**LEE WILSON**

For his conception and development of the training component of the IAIA website and his responsive leadership of the IAIA Training & Professional Development Committee.
