

The Department of Natural Resources deals with the acquisition and use of earth observation data and spatial information for the sustainable use and management of forest, agricultural and nature areas. Our activities are carried out in a multidisciplinary context, both inside and outside ITC.

The Institute invites qualified persons to apply for the fulltime position of

**LECTURER (Docent) m/f**  
Spatial database infrastructure for natural resources

**Main tasks**

You teach coursework and short courses and give other training at Master's level at ITC as well as at various partner institutions. You contribute to and manage the development of educational modules and new educational products. You manage and coordinate courses, and initiate new materials and methods of delivery. You maintain your expertise and, when required, develop new expertise. Within and on behalf of the department you engage in the acquisition and implementation of consulting assignments, and undertake management and administration tasks.

**Requirements**

You have recently graduated with an MSc degree in either computer science or a discipline related to natural resources (e.g. agriculture, environmental science, forestry, biology, geography) and have specialised in building and handling databases in a spatial context (GIS and/or remote sensing) and in analysing natural resource datasets. You have experience in one of the thematic fields of the department and are keen to work on problems facing less developed countries through advisory services, teaching or research. You have affinity with a multicultural, postgraduate education environment and are willing to undertake travel in less developed countries.

**We offer**

We offer an inspiring and challenging international environment. The successful candidate will be employed for a period of three years. Salary and conditions will be in accordance with the Collective Labour Agreement (CAO) of the Dutch Universities. Gross monthly salary depends on experience and qualifications and ranges from € 2252.- to € 4140.- exclusive of allowances (in accordance with the University System for Job Classification (UJC), job profile Docent level 3).

**Information**

Additional information about this position can be obtained from Ir. L.M. (Louise) van Leeuwen or Dr. Ir. C.A.J.M. (Kees) de Bie (phone: +31 53 4874 240). Interested candidates are invited to send their letter of application and detailed CV to reach ITC before 15 March 2007 for the attention of M.F.G. (Marianne) Assink, Personnel & Organisation, P.O. Box 6, 7500 AA Enschede, The Netherlands (e-mail: [posecretariat@itc.nl](mailto:posecretariat@itc.nl)).
